## **The Waste Batteries and Accumulators Regulations 2009**

### **Industrial Batteries**

As a producer of industrial batteries under the Waste Batteries and Accumulators Regulations 2009, we Joerns Healthcare Ltd are obliged to take back free of charge, waste industrial batteries supplied to an end user this year and the preceding three years, for treatment and recycling. We are required to do this in any calendar year we place new industrial batteries on the market.

If any of our customers or in certain cases other end users, require us to take back Industrial batteries, they should contact us using the details above. We will agree the necessary arrangements for the return, proper treatment and recycling of the waste industrial batteries.
